out reference to public travel.

could conveniently pass each other; they

To fairly present the question, we must expe review the appropriations made for these arrivales, and to structures. On March 2d, 1867, \$200,000 were appropriated for the bridge which connects the Island with Davenport, and comperitor of their first of way across it was given to the provening. The Wester Princes shows them the right of way across it was given to the Chicago, Rock Island & Pacific Railroad hours, both by direction and example matton equal in quality or quantity on Company on condition that they pay "half the cost of construction and half of the expenses required to keep it in repair.

mation equal in quality or quantity can be elsewhere obtained for the principle of the journal. The warms appeals also to teachers, and persons of inquiring minds, by the character of its library contents, which include persons of all the works processing from the masses of the processing from the masses of all the works processing from the masses of the process of the process of all the works processing from the masses of the processing from the masses of the processing from the masses of the processing from the masses of all the works processing from the masses of the processing from the processing from the masses of the processing from the struction of Rock Island bridge, \$300,000," March 3d, 1871, "for completing the b the bridge at Rock Island, \$500,000." June 10th, 1872, "for completion of the wagon-road bridge connecting Moline with Rock Island, \$100,000. It amounts then to this:

A comfortable little sum to refire on,

A comfortable little sum to retire on isn't it?

Well every one of Uncle Sam's nephews and nieces, from Maine to the Gulf, and across to California and Joaquin Miller's Sierras has had to pay a share of that amount, and it does look a little Exe partiality that the house of the little Exe partial to the little Exe partiality that the little Exe par tiality that the happy few in aest around NEW YORK SEMI-WEEKLY THIBUNE, Rock Island should have the exclusive benefit of it. Still, in consideration of their beind affliced with Ague, Epizooty, and Ferry Company, everybody is willing they should be favored; and I hope that they will take it and I hope that they will take it.

this shape is but I have made so many inquiries, have so diligently sought to necomplish your wishes, and have received so much kindness and assistance in my sent me, unauthorized as I was, away as efforts, from those who might easily have

NOTES, HERE AND THERE.

A poet asks: "Where are the dead, the vanished dead, who trod the earth that now we tread?" If we were to make a random guess, we should say the most of them are buried—though this may not be the right answer.

The mayor of Boston has issued a proclamation forbidding the use of bustles of newspapers containing maps of the burnt Address Howard Association, No. 2 South district. He says he wants his fellow-citi. Ninth Street, Philadelphia, Pa., an institution having a nigh require to the property of the prope district. He says he wants his fellow citi-zens to realize the full extent of their having a sigh reputation for honoral analysis.

A physician, on presenting his bill to be executor of the estate of a deceased patient, asked: "Do you wish to have my bill sworn to?" "No," replied the execu-tor, "the death of the decedent is suffi-

cient evidence that you attended him pro-"trentlemen, where do you think that beef-steak come from?" said the land-lord, planting his thumbs in his waistcoat arm-holes. "From near the horns," was the quiet reply of one of the boarders. It is singular, but that landlord has not put any conundrums to those bearders that

any conundrums to those boarders since The father of the boy whose veracity is not so marked as his back, asked the teacher why it was his son didn't have a better acquaintance with figures, and was considerably electrified when the teacher tenderly observed. "I really don't know.

unless it is because figures won't lie." Among the clever hits of paragraphing f the period, the following is quite the est: "Elias Williams, of Buffalo, Mo., blew into the muzzle of his gun to see if it was loaded. Could Mr. Williams communicate with his friends in this world, his spirit would gently whisper, "It was."

A young man engaged in making himself attractive to a young lady, was taken with a violent fit of coughing, and brought up two marbles he had swallowed when a said she didn't want to to marry a stone

An observant editor out at Washtenaw county, Mich., is constrained to make this observation. 'It is disgusting to see young girls parading the streets of a moderat and unassummer little. est and unassuming little country village like Tecumseh or Manchester with a tuck-upbehindwiggledaruphoolitiveness larger than they are."

When an animal is killed or hurt by the when an animal is killed or nurr by the cars on the Kansas Pacific the section boss fills out a blank form describing the locality of the accident, etc. One of the questions in the form is: "What disposition was stade of the animal?" The spawer returned to this query in the case of a Texas steer run over the other day was "disposition, mild and gentle."

NEW YORK TRIBUNE

Now, as heretofore, The Thirdness strives to be first of all and pre-eminently a newspaper.

France a Republic - England and Germany gradually permeated with Republican ideas Spain swaying in the nerveless grasp of a ruler too good for a king and too weak for a Republican, who is unable to govern the great island that blocks the entrance to our Gulf of Mexico, and equally unable to give it up—the German-speaking people agitated by a new Protestantism, separating from the See or Home on the dogma of Papal Infallibility and assuming to recognize the "Old Catholics."

office.

After all that has been done and said on this case is of course, hereafter as hereiofore, the subject it is hardly more than champion of equal rights, trooperties of race, as the performance of the course of the cours from the stand point of the War Department. In the first place, then, let me assure you that Secretary Belknap as well as "the powers that he "who have charge of these affairs, are disposed to be as liberal as possible toward the people interested, and would unhesitatingly throw the bridges and would unhesitatingly throw the bridges. open without any restrictions whatever had

they the right to do so.

When the appropriations were made for the presenting the development of our resources, the present on of development of our resources, the present on of development of our resources, the present on of development of our resources on the resources of the Arsemal on the Island, and with-The width of the main bridge is such that no two loads, such as hay for instance.

The weeks to become the knowledge and better the condition of those devoted to productive industry that no two loads, such as hay for instance.

The Weeks Taracas. now more than thirty would form an obstruction, were they permitted to meet, and it is therefore no more than right and proper that such occurrences should be guarded against.

To fairly present the question, we must

July 25th, 1868, \$100,000 were uppropriated "for the erection of a bridge to broad a bridge to be connect Rock Island Arsenal with the city of Rock Island. Illinois." March 3d, 1869, \$500,000 "for the construction of the other. CATARRH REMEDY.

Catarrh of 25 Years' Stan H. A. SOHETAL. ding,

ing, Headache, Pains in Lhoulders, Back and kidneys, and entire Breaking Eown of the System cured by Constitutional Catarrh Remedy. To Messrs, LTTTLEFIELD & HAYEs, Proprietors of Constitutional Catarrh Remedy, Manchester N. H.:

N. H.:

I reside at Manchester, N. H., and previously resided at Henniker, and an a native of Wears, this State. I have had catarra 25 years, ever since I was 19 years old, had it had all the time. It run all that period, and nights it would fill up and drop down in my throat, causing a feeling of cheking, so that I would apring up in bed to save myself from strangulation. It affected my head so that I felt confused, and was troubled with severe head ache as intervals for a work in a time. ache at intervals for a week at a time. I also had palis in the shoulders, back and kidneys, from which I suffered inmensely. So had were they, that a year ago last summer I was obliged to lie in that a year ago inst summer! So had were they, that a year ago inst summer! was obliged to ite in bed most of the time for three months. I have tried all kinds of sunff and Catarrh comedies with no particular beheaft, and consulted physicians. I began to take the Constitutional Catarrh Remedy last August. I began to grow better before finishing the first bottle. My catarrh is curved; my health is restored. I have no pains aches or cough. My whole system is made over new. I know it is this medicine that has rescreed me from intensities in the market work and bear the grantes a xape-grant of the land over new. On the constitutional Catarrh Remedy.

MRS. E. J. PLANDERS.

Manchester, N. H., Feb. 1, 1871.

Why Have Catarrh? I have had Camerh for two years, and have bud

I have had Catarrh for two years, and, have had all trobles arising from it, such as dropping from the head, sore throat, etc. It trobbled more in the morning than at any time, as it would be some half hour before i could breath freely. The dropping from my head has cassed, and in the morning I have no trouble about breathing, which is a great relief so me, and I feel as free from it as ever I did. I have taken two bottles. Yours respectfully, Uncancounce House, Goffstown, N. H.

What a Leading Druggist thinks of the Constitutional Chtarrh Remedy! Concorn. N. H. Oct. 34, 1870.
